

**Clinical Negligence in Mental Health: Empowerment & Intervention**  
**13 May 2010**

**Manchester Conference Centre**  
**Conference Sponsorship Opportunity**

The Mental Health Act (MHA) came into force in 2007 introducing legislation and guidelines for the welfare of the mental health patient. AvMA's new Clinical Negligence in Mental Health conference aims to inform the clinical negligence practitioner on the latest procedure and considerations of Mental Health Trusts, the rights of the patient and medical interventions associated with patient care.

Community Care, anti-depressants, suicidality, common areas of negligence and medico-legal issues surrounding drug addiction will also be discussed. The interplay between the Mental Capacity Act, Mental Health Act and Deprivation of Liberty will also be a key feature of the programme and is essential for legal practitioners and healthcare professionals wanting to represent their client in the best possible way whilst gaining an insight into the operation of the MHA.

By sponsoring this event for a fee of **£1,500 + VAT**, you will have an outstanding opportunity to promote your organisation to approximately 50-70 delegates at the conference, as well as receiving the following benefits:

- **Exhibition display space of 3m x 2m**
