Using Gift Aid means that for every pound you give, the charity you are supporting will receive an extra 28 pence from the Inland Revenue, helping your donation go further. This means that £10 can be turned into £12.80 just so long as donations are made through Gift Aid. Imagine what a difference that could make, and it doesn't cost you a thing.

If you are a UK tax payer and would like to make your donations worth almost a third extra (at no cost to yourself) please **tick** and **date** the statement in the box below.

- I am a UK taxpayer and would like AvMA to treat all donations I have made since 6 April 2000 and all donations I make thereafter, as Gift Aid donations. I understand that I must have paid an amount of income tax or capital gains tax equal to the tax you reclaim on my donations.
