PROGRAMME

The event provides the opportunity to meet, network and discuss the latest key developments and issues facing clinical negligence law.

This is a particularly important time for clinical negligence practitioners, not least because of the potential impact fixed recoverable costs may have on access to justice, commercial viability and quality of work.

You will know that it is a condition of Panel membership that you attend the annual Panel meeting – if, for any reason, you are not able to attend then you are encouraged to send a representative from your office.
