About AvMA:

Action against Medical Accidents (AvMA) is the independent charity promoting better patient safety and justice for people who have been affected by a medical accident. We also provide services for the legal profession and are renowned for organising medico-legal conferences and events for solicitors, barristers and healthcare professionals.

Why your organisation should sponsor/exhibit at #ACNC2026:

Now in its 36th year, the Annual Clinical Negligence Conference (ACNC) is established as **the event** for the clinical negligence community, bringing together around 500 solicitors, barristers and medical experts to hear the latest medico-legal developments, to learn from key medical experts and to meet and network with other clinical negligence and healthcare specialists.

This unique environment offers companies the ideal opportunity to focus their marketing activity, and reinforce their brand, by gaining exposure and access to a highly targeted group of delegates and experts, which in turn creates new business opportunities and helps maintains customer interface with current clients.

Additionally, you will also have the opportunity to attend our very popular social functions, starting with the Welcome Event on Wednesday 18th March, and the Mid-Conference Dinner on Thursday 19th March. You don't want to miss out!

What our sponsors and exhibitors say:

"Ed and his team work tirelessly to ensure the AvMA conference runs smoothly—and it truly shows. This year's event was a great success, filled with engaging conversations. We're already looking forward to the 2026 conference!" - **Fran Clothier**, Senior Business Development Manager, ARAG

"The 2025 ACNC was hugely successful with an amazing delegate turnout. We caught up with so many that we knew including existing clients and also made a large number of new contacts, which is invaluable as an exhibitor. In my view, one of the best conferences of the year. Thank you team AvMA for once again doing such a fabulous job. We hope to be part of the ACNC 2026." - **Krissi Fletcher**, Head of Strategy and Client Care, France & Associates

"Sponsoring AvMA at the ACNC this year was an outstanding experience. The event was impeccably organised, set in a stunning location with glorious weather, and provided excellent opportunities for meaningful networking. It was a real privilege to support such a significant and impactful conference, and I would wholeheartedly recommend sponsorship to any organisation considering getting involved next year." - **Rowena Edwards**, Costs Lawyer & Business Development Director, Renvilles

"Once again, an outstanding event with exceptional speakers and invaluable opportunities to connect with fellow specialists in clinical negligence." - **John McLaren**, Practice Director, 1 Crown Office Row

What our delegates say:

"All the speakers were excellent."

"As ever the opportunity to learn from the leading experts and to meet and engage with experts, other solicitors and counsel helps one's practise when one gets back to the office."

"It was a really excellent conference, as always."

"Thank you to AvMA for a successful conference - it was really enjoyable."

"Excellent conference and I came away feeling energised and enthused."
