## About AvMA:

Action against Medical Accidents (AvMA) is the independent charity promoting better patient safety and justice for people who have been affected by a medical accident. We also provide services for the legal profession and are renowned for organising medico-legal conferences and events for solicitors, barristers and healthcare professionals.

## Why your organisation should sponsor/exhibit at #AvMACP Conference:

AvMA's Court of Protection conference returns to Leeds on the 23 October 2024. Since its inception in 2007, the Court of Protection has made crucial decisions to try to protect the well-being of vulnerable individuals. In a rapidly-evolving legal environment, AvMA's fifth Court of Protection conference will examine the current state of litigation and the challenges and responsibilities facing those who work in this important area.
